Irish A. Sornal, R.N. Board Certified,
has ministered to me as nurse, periodically,
for some five years, sometimes in the Hospital
and sometimes at the above Residence. My medical
history includes Open Heart (Atriople Bypass) Surgery
(April 2004 - St Vincent's Hosp NYC). She remained with
me at the Residence for several months. She was
present for other hospitalizations and procedures:
Cardio. Version and Esophageal Cardiogram 10/06/05,
Nuclear Scan 8/4/06, Cardio Version 5/18/07, Eye surgeries (R. 8/18/07,
L. 8/18/07), Pacemaker Upgrade (Dual Chamber) 4/11/07 Pneumothorax
w/out Chest Tube, Esophageal Cardiogram & Cardioversion 4/14/07. She
accompanied me to hospital and cared for me on my return. I

To whom It May Concern (cont'd)
I have found her knowledgeable, competent,
skilled and resourceful. She is completely
dependable and remarkably punctual.
On a rating scale of satisfaction from one to ten
I would give nine plus - if not ten.
